WALK-IN INTERVIEW FOR JUNIOR RESEARCH FELLOW

Candidates interested in contractual engagement in the Department of Science and Technology, Govt. of Odisha funded project entitled, "Biotechnological approaches to evaluate nutritional and pharmaceutical values of *Scylla serrata* and *Pila globosa*" operating in the Department of Zoology, College of Basic Science and Humanities, Orissa University of Agriculture and Technology, Bhubaneswar- 751003 for a period of three years may avail of the opportunity through walk-in interview. The selected candidate may be engaged for a period of one year and can be extended for further period subject to satisfactory performance with a break for one working day only. The activities of the post relate to both collection of tissue samples from different districts of Odisha and their biochemical and molecular analyses in laboratory. Some of the analyses will be outsourced from laboratories present out of the state. Therefore, the candidate will have travel to work in both field/laboratory out of the state and laboratory, whenever required. The essential educational qualification, remuneration and time of interview are specified below. This post is purely temporary and co-terminus with completion of the project period. The candidates having prior experience and exposure to biochemical and molecular tools would be of added advantages. No T.A. and D.A. will be provided for appearing the interview. Candidates appearing interview are requested to produce duly filled C.V. and a set of self-attested photocopies of the original certificates (also needed for verification) indicating educational qualification and experience at the time of interview which will be held in the **Committee Room of the Dean of Research**, Orissa University of Agriculture and Technology, Bhubaneswar-751003 as detailed below. Authority reserves the right to cancel the interview without assigning any reason thereof.
