| 9 Validity of the tender  | Firms submitting bids have to accept that the rates and the conditions of the offer will remain valid for at least one year from the date of rate contract or till the next rate contract is made, whichever is earlier. The rate contract for binding work of journals/books will be valid till 31st March 2023 or till the next rate contract is made. |

### Terms and Conditions for binding

1. The binding will be done with good quality materials such as rexin for journals and cotton for books.
2. The spine and four corners of the bound books will be used by good quality rexin.
3. The kettle stitching of the volumes should be made by strong and stable thread according to the thickness of the spine. Sectional stitching should be done wherever necessary.
4. Good quality of gum especially Fevicol or similar brand will be used.
5. The Binder shall not remove any page of the journal or books, but cut the journal after binding according to the size without damage of the printing portion/information. Proper care is to be taken to leave the margin as wide as possible for full opening of the bound volume for easy photo copying.
6. Golden Embossing of bound volume will be made in the spine only with information given for each volume.
7. Sample of the materials to be used for binding will be made available with the tender.
8. In the event of defect found later, the concerned firm/ binder will have to rectify the defective volume at their own cost.
9. Work has to be completed within 15 days of the order. The binder has to carry the documents for binding and deposit back at their own cost.
10. Any discrepancy found in terms of quality, necessary deduction/recovery will be made.
11. Separate rate for rexin binding for journals and cotton binding for books will be given.
12. In case, the binder is not regular in completing the work of binding allotted to them and does not maintain the standard of binding work, the University reserves the right to discontinue the contract.
